### Reference

Elpro Industries has hired personnel from WRO-System for project in Stocznia Gdansk Shipyard. Fjordline ferries, RoPax ship project is being built for Bergen Group Fosen. Contract value at 76 898 Euros.

The work consisted in cable pulling off effect-cables to heavy consumers, as well as the installation of lights in the technical areas.

Elpro Industries are very pleased with the cooperation and work performed by WRO-System We appreciate your cooperation and look forward to any further cooperation.

Best Regards

  
Kjell Valseth  
Dep. Manager Maritim & Industri  
Elpro Industrier AS
