## REFERENCES

Gdańsk Municipal Heat Supply Company Ltd. (Gdańskie Przedsiębiorstwo Energetyki Ciepłej Sp. z o.o.) testifies that the company WRO-SYSTEM Piotr Wróblewski seated in Gdańsk 3 Maja 24/11 Street delivered installation of electrical grounds in the heating plant in Zawisłańska 2 Street in Gdańsk – Stogi district. The works were performed in accordance with the design and terms of the contract.

The gross value of the contract was: 35 500 PLN ( $\approx$  8 875 EUR)

While project delivery, WRO-SYSTEM showed great involvement, professionalism and kept the deadlines.

The works were performed in accordance with the schedules. HSE and Fire Safety regulations on the building site were strictly obeyed. The organization, technical level and the overall quality of works deserve the highest recognition.

Because of the above stated reasons, we recommend the company WRO-SYSTEM Piotr Wróblewski as a proven and reliable contractor of electrical engineering works.
